

Call for applications

ALEDURAS is looking for candidates wanting to study at a Honduran university or institution of higher education

ALEDURAS e.V. is a German-Honduran non-profit organization promoting the sustainable development of Honduras by funding higher education for young, talented and dedicated Hondurans. We are giving out scholarships to pupils having completed their A-levels in order to enable them to study at a Honduran university or institution of higher education. In addition to bearing the living expenses during the course of study, we are offering numerous opportunities for further training and ties to the professional working environment. The first scholarships will be in economic sciences at the Universidad Nacional Autónoma de Honduras (UNAH). and will commence with the second semester 2009.
